Dear Pre:

May I take this opportunity to thank you for being with us last Monday and contributing so much to our present course of study.

I understand the discussion group was most successful, as certainly was the discussion at the luncheon. Your willingness to thoroughly answer the questions asked is deeply appreciated.

Our entire morning was extremely successful, thanks to your taking the time from your busy schedule to be with us.

May I again offer the thanks of all members of the College.

Sincerely yours,

*s/Slim*
